01

01 GAMES

01 GAMES

▪ Game Rules

Count down the score from 501 points. The first player who reduces his/her score to zero wins the game. The last dart must be shot at the double area. As for OI/OO, the winner will be the one who has the least score when the score has not been counted down to zero at the end of game.

▪ Caution

If the player shoots the scores which more than his/her current score, that round is considered "busted", and her/his score will be reset to the score from previous round.

▪ Number of Participants

1~4 People (Doubles 2~8 people)

How to change the check out rule?

MENU :

- ➡ Select 「01 GAMES」
- ➡ Select 「OI / OO」

02

CRICKET

CRICKET

Game Rules

15~20 and Bull are target zones. Open the numbers by shooting same zone for 3 times. After hitting the target zones 3 times, once you hit the zone you can get the score.

The goal of cricket is to be the first player to open or close all the cricket numbers and have a higher or even point total. You can close your opponent's scoring area to win the game.

Caution

When the number is opened by all players, the area will be closed and can't get score by hitting the numbers again.

Number of Participants

1~4 People (Doubles 2~8 people)

06

PRO 501

PRO 501

Game Rules

The rules of the game are the same as the 01 game, the difference is that it belongs to the competition mode. You can choose single leg game (1 Leg) or multiple legs games (Best of 3, Best of 5, Best of 7...). Because it is a competition mode, there is only one OI/DO rule. You cannot be selected or modified.

Caution

If one of the player wins more games first, the game will end early. For example: Choose " Best of 3 " as long as a player wins two games first, the game is over.

Number of Participants

2 People

How to select the number of legs?

MENU :

- ➡ Select 「PRO 501」
- ➡ Select the number of legs you want, for example 「1局1勝」、「3局2勝」、「5局3勝」...

07

GLOBAL MATCH

GLOBAL 501
